The Finance Act, 2020 has introduced Tax Collection at Source ("TCS") provisions (effective from 1st October 2020 or such further date as notified by the Government hereinafter known as "effective date") in the Income-tax Act, 1961 ("the Act") requiring a seller to collect TCS on consideration for sale of goods in excess of the prescribed threshold limit (i.e. INR 50 lakhs or any other limit as prescribed by the Government) in aggregate in a financial year.

Accordingly, if the cumulative consideration for sale of goods (including sale of goods made prior to effective date) receivable by Dell/EMC (on or after the effective date) in a financial year(s) or if the cumulative gross value of goods sold (inclusive of taxes) in a financial year, exceeds the prescribed threshold, TCS would be charged / collected at the applicable rates\* on such consideration receivable or on such gross value of goods sold (inclusive of taxes), on or after the effective date. Dell/EMC, in accordance with the provision of the Act, reserves the right to charge / collect / adjust TCS through an intimation in any form including by way of a debit / credit note, invoice or any other means.

\*Applicable Rate at which TCS would be charged is tabulated below (or as amended by the Government from time to time):

Particulars	PAN available	No PAN
1 Oct 2020 to 31 March 2021	0.075%**	1%
1 April 2021 and onwards	0.1%	1%

\*\* Reduced TCS rate is applicable only for payments received by Dell/EMC up to 31st March 2021. If payment is received after 31st March 2021, TCS would be collected at 0.1%.
